

Gilbert Paterson Middle School – 2017-18 Provincial Achievement Results

Below are the results of our June Provincial Achievement Tests. If your child is currently in grade 7 and wrote these tests at Paterson last spring, you will get an individual results report for your child sent home on Oct. 22nd with your child. If you have any questions regarding PAT's or the distribution of individual results, please contact Mr. Christiansen. The following chart shows how our students fared in achieving the acceptable standard and standard of excellence compared to the provincial average on the June 2018 results.

Staff reflect, analyze and look for strategies that will lead to continued growth and achievement.

Subject	2017-18 School Acceptable Standard %	2017-18 Province Acceptable Standard %	2017-18 School Standard of Excellence %	2017-18 Province Standard of Excellence %
