

Gilbert Paterson Middle School Council

Gilbert Paterson Middle School Council invites all parents/guardians to participate in school council activities and support its efforts to enhance the education of the students of Gilbert Paterson. School Council meetings are held monthly, though parents are free to attend as many as they wish. These meetings are a great place to meet other parents and exchange information in an informal atmosphere regarding education matters at school, district and provincial levels. Agendas are prepared for each meeting listing items for discussion and information. Minutes are taken and posted on the school's website and on the parent bulletin board in the school. Parents can also receive the minutes directly by e-mail if they wish (Please indicate below). In addition, there are many volunteer opportunities for parents at Gilbert Paterson. Previous activities requiring parent involvement have included fundraising, staff appreciation, the Scholastic Book Fair, and the "Feed the Bug" food drive. Please fill out this form and return it to the school.

GILBERT PATERSON MIDDLE SCHOOL COUNCIL INFORMATION AND VOLUNTEER FORM

Name: _____ Phone: _____

E-mail: _____

Names of children and grades (optional):

_____ grade _____

_____ grade _____

_____ grade _____
