

**To whom it may concern:**

The Gilbert Paterson Fine Arts production this year is “Sherlock Holmes” adapted by Tim Kelly, and we are seeking the sponsorship and support of the community to help bring this production to life.

We have many students from our school involved in the performance and all of our students here at Paterson will be invited to watch the show. Many of our elementary schools on the south make a point of getting to one of our daily shows and our evening shows are always well attended by community members and families.

The performances at Gilbert Paterson Middle Schools presents an amazing opportunity for students to learn and grow in both the performance arts as well as in technical theatre. The opportunity to be on stage and performing for the community not only allows students to develop an appreciation for the arts, it also promotes discipline, self-awareness and a sense of belonging. Community building is important.

As a sponsor of our event you will not only be contributing to the arts in our school community, you will also be recognized within the community for your genuine efforts. We are looking for assistance to help cover the cost of our production in the following areas: costumes, lighting, staging, printing, photography, and props.
