- **Our School and Assurance Surveys** – Students have been participating in surveys over the last week. The responses collected help guide decision making regarding topics such as perceptions of safety at school, academics, and co-curricular activities while also gaining more insight into who our students are socially and culturally. Other questions as part of the Grade 7/8 survey will include areas such as health and wellness, perceptions of mental health, healthy lifestyle choices, and career goals. The division selected questions this year will focus on social media. Grade 7 students will also participate in the Alberta Education Assurance survey at school. Grade 7 parents will be mailed information from Alberta Education on how to participate in the Assurance survey.
- **School Council** – The next meeting is scheduled for **Mon. March 18th** at 6:30PM in the Learning Commons. There was no February meeting due the Division Town Hall. Thank you to our parent, student and staff volunteers who attended that event. It was wonderful to have such a strong Paterson turn out.
